**DETAILED ACTION**

**REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The closest prior art of record fails to teach or suggest the recited double-sided pressure-sensitive sheet. The independent claims identify a double-sided pressure-sensitive sheet comprising a first pressure-sensitive adhesive layer, a first black layer, a flexible base layer, a second black layer, and a second pressure-sensitive adhesive layer, wherein said first pressure-sensitive adhesive layer and second pressure-sensitive adhesive layer are the outermost layers on either side of the sheet. The closest prior art of record, JP 2002-23663, discloses different double-sided pressure-sensitive sheet, which either singularly or in combination, fail to anticipate or render obvious the above limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia L. Nordmeyer whose telephone number is (571)272-1496. The examiner can normally be reached on Mon.-Fri. from 10:00-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David R. Sample can be reached on (571) 272-1376. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
